

Seasonal Warning

March 2017

Please don't bring your children to work!

As the Easter holidays approach please remember that it is unsafe to carry children in wagon/forestry machine cabs. Children can and do:

- Fall from doorways and windows
- Interfere with the operators control of the vehicle
- Distract the operator or unintentionally operate controls eg. the parking brake or hydraulics, when the operator leaves the cab when loading/unloading.

Holidays can also mean an increase in public site visitors. Remember if you have to leave machinery in an area accessed by members of the public, make sure you leave it in a safe condition:

- Remove the keys
- Lock the cab
- Leave the controls in neutral
- Lower equipment to the ground and
- Apply the parking brake or chock the wheels.
